## WHAT DO WE SPECIALISE IN

---

We provide 6m<sup>3</sup> skips for hire in most areas of Johannesburg, and to residential, commercial, industrial and recreational facilities. These bins can be used to remove all forms of general waste, garden waste, builders' rubble and industrial waste from your facility. This service is efficient, cost effective and guarantees the customer peace of mind knowing that their waste will be disposed of in a legal and ethical manner.

Full documentation authenticating the final destination of the waste is available to the customer on completion of the disposal process. There is no easier or more efficient way to dispose of large volumes of general, garden and building waste from your property.

As members of the Green Building Council of South Africa, Evergreen Waste Management services is underpinned by best practice procedures, and we therefore take all reasonable measures to ensure all waste is handled, treated and disposed of in a safe and responsible manner.

## WHERE ARE WE LOCATED

---

Our Geographical footprint currently only includes the greater Johannesburg area. Please contact us to find out if we can accommodate your area.

## OUR CUSTOMERS

---

We value the relationships we have with our customers, most of which have supported us for many years. We thank you and reassure you of our continued commitment to service excellence.

Through our knowledge and significant experience in the industry, we add value to our client's needs and build long term relationships that are mutually beneficial. We endeavor to exceed our clients' expectations with the service we provide.

## OUR STAFF

---

Our clients appreciate that we understand their needs and act in their interest. Our focus on partnership, our emphasis on trust, and our desire to constantly perform better also help us attract like-minded people. We hire people who are driven to perform and who hold themselves to the highest standards. We know that our people are what contribute to the success that we experience today. We are committed to continuous training of all our staff to offer you the best possible service.
